Guardian of the Dead Karen Healey 2010-04-01 "You're Ellie Spencer." I opened my mouth, just as he added, "And your eyes are opening." Seventeen-year-old Ellie Spencer is just like any other teenager at her boarding school. She hangs out with her best friend Kevin, she obsesses over Mark, a cute and mysterious bad boy, and her biggest worry is her paper deadline. But then everything changes. The news headlines are all abuzz about a local string of serial killings that all share the same morbid trademark: the victims were discovered with their eyes missing. Then a beautiful yet eerie woman enters Ellie's circle of friends and develops an unhealthy fascination with Kevin, and a crazed old man grabs Ellie in a public square and shoves a tattered Bible into her hands, exclaiming, "You need it. It will save your soul." Soon, Ellie finds herself plunged into a haunting world of vengeful fairies, Maori mythology, romance, betrayal, and an epic battle for immortality.

I Loved a Rogue Katharine Ashe 2015-02-24 In the third in Katharine Ashe's Prince Catchers series, the eldest of three very different sisters must fulfill a prophecy to discover their birthright. But if Eleanor is destined to marry a prince, why can't she resist the scoundrel who seduced her? She can pour tea, manage a household, and sew a modest gown. In short, Eleanor Caulfield is the perfect vicar's daughter. Yet there was a time when she'd risked everything for a black-eyed gypsy who left her brokenhearted. Now he stands before her—dark, virile, and ready to escort her on a journey to find the truth about her heritage. Leaving eleven years ago should have given Taliesin freedom. Instead he's returned to Eleanor, determined to have her all to himself, tempting her with kisses and promising her a passion she's so long denied herself. But if he was infatuated before, he's utterly unprepared for what will happen when Eleanor decides to abandon convention—and truly live . . .

Profiting with Iron Condor Options Michael Benklifa 2011-01-19 In a straightforward approach, Hanania Benklifa provides readers the practical knowledge needed to trade options conservatively in Profiting with Iron Condor Options: Strategies from the Frontline for Trading in Up or Down Markets. The objectives are simple: make 2%-4% a month staying in the market as little as possible. Market experts use option condors to consistently earn monthly returns while trading conservatively and staying in the market as little as possible. Benklifa—who manages \$10+ million in condor trades each month—shows you exactly how to run these trades and earn these returns, delivering all the details you need to master every nuance of this remarkable strategy. Benklifa shares option condors examples using market realities, not oversimplified abstractions. You'll learn how to handle real-life market dynamics that can dramatically impact results, including rising and falling volatility, changing bid-ask spreads, and distorted call parity. You'll learn how to profit in the sideways markets where condor options are most widely used—and also in extreme-trending markets that offer their own surprising opportunities. Traders who focus on a specific type of trade have a history of outperforming stock pickers and directional investors. This book will give you that deep and usable level of knowledge about one of today's most well-proven strategies: option condors.

Birds of Prey Amado Hernandez 2021-08 Birds of Prey (Mga Ibong Mandaragit) is a story of the valiant fight for justice and social change during and after the Japanese occupation of the Philippines in World War II. Originally written in Tagalog by revered Philippine National Artist in Literature Amado V. Hernandez, and translated to English by Estelita Constantino-Pangilinan, this socio-political novel depicts the oppression of the Filipino people by both the brutal occupiers and their own corrupt leaders, while holding out hope for a vision of an egalitarian society. Inspired by Jose Rizal's novels, it is a sequel to El Filibusterismo. Birds of Prey follows Mando Plaridel, the guerrilla warrior who discovers his strength and greater purpose as he searches for and finds the treasure left behind by Rizal's protagonist Simoun. This historical fiction examines one country's past but its message resonates with the real and present struggles in societies around the world.

Milk Production and Processing C. Ibraheem Kutty 2014-01-01 The book covers various aspects of dairying and milk products such as dairy farm establishment, management, production and utilisation of various dairy products. Information has been included on various aspects of dairy farming starting with selection and purchase of dairy cattle, their care and management, with respect to housing, feeding, breeding and health care during various physiological states such as growth, pregnancy and lactation and during different seasons. Details of health care management along with common diseases have been covered with all information required for educated farmers and technicians working in these areas. Various means for consistent improvement of the stock has also been included.

Production of clean milk, its procurement, processing and distribution has been covered with more emphasis on common processing technologies such as pasteurisation and sterilisation. Different forms of liquid milk available in the market has been described along with its standards and other specifications for the knowledge of common man and technicians. Manufacturing methods of milk products have been included with appropriate flow chart wherever required and various categories of milk products have been covered in detail under different chapters under milk products. This book has been prepared with emphasis on second year syllabus of Vocational higher secondary course on milk products and dairying and considering the lack of a suitable textbook for this subject. Hence the book is expected to fill the gap of a textbook for the above said and similar courses. Also the book may be accepted as a textbook/manual for educated farmers, other teaching and training programmes covering similar syllabus like that of dairy farm instructors and as a handbook for Veterinary Students and Dairy Extension Officers. With these introductory notes, we presume that the book will satisfy its readers' requirements and form a valuable textbook/reference book for all those concerned with dairy animal production and utilisation of their products ultimately benefiting the farming community.

The Grace Walk Experience Steve McVey 2008-03-01 For years, Steve McVey's Grace Walk (more than 200,000 copies sold) has inspired Christians to leave behind a performance and fear-based faith to embrace a faith lived in abundance and grace. Now The Grace Walk Experience workbook helps readers move that message of hope from their heads to their hearts as they explore eight truths that have changed lives worldwide daily, interactive studies that reveal grace as much more than a doctrine ways to quit "doing" for God so that He can live through them illustrations of the wonder and miracle of faith as God intended God's Word, salvation, and evangelism with new perspective This excellent tool for church classes, small group discussion, and individual study will lead believers to

understand their identity in Christ, let go of legalism, and make room for the overflowing love, mercy, and purpose of life lived wholly in God's grace.

Scorch A. D. Nauman 2001-11-20 In the future world of Scorch, America is run by a "corporacracy." Three conglomerates have taken control not by force but by manipulating common beliefs and values through the media, and particularly by playing on Americans' fears of Big Brother. Consumerism and privatization have run amok in this landscape of flashing screens and subtle brainwashing, a world where even city streets and public schools are run by big business. This is a darkly comic first novel of a dystopian future, with echoes of 1984 and Brave New World.

High Line Nudes 2016-05-10 From the foreword: "One of the High Line's powers is its ability to evoke time, to remind us of the changes we've experienced during our own lives, to bring forth echoes of the past, and to make us guess what life might be like years from now. I love the photos on these pages, because they have that power, too." --Joshua David, Co-Founder of the Friends of the High Line. Ten Avenues Press, in association with Friends of the High Line, announce the publication of High Line Nudes. In 2006, photographer Kevin McDermott took three of his friends up on the abandoned railroad tracks that would become New York City's High Line park to shoot a series of nudes. As McDermott states in his introduction, "at the time I took these photos, what I sought from its beauty was its sense of isolation, being alone, surrounded by nature in the middle of this metropolis." A decade later, this location is now one of the most visited tourist destinations in NYC and one of the largest real estate developments in the world. High Line Nudes captures a seemingly impossible, but beautiful moment in the history of the West Side Rail Yards, Chelsea and an ever changing New York City. The cloth hardcover book is beautifully printed in color and rich black and white duotone images.

1001 Walks Barry Stone 2018-10-04 1001 Walks You Must Experience Before You Die is the perfect guide to the world's most exhilarating walks. The ever-increasing passion for recreational walking is given fresh impetus with the creation of each new national park and wilderness area, the construction of every new walkway and the clearing of another fresh trail. The growth in popularity of pathways and woodland walks, and the conversion of canal banks and disused railways around the world to mixed-use walk and cycle-ways, means we now have unprecedented access to our cities and to ever-increasing tracts of our rural heritage. The wide-ranging, carefully chosen featured routes vary from the rugged delights of Wales's Pembrokeshire Coastal Path to the lush wilderness of Jamaica and the Harz Witches' Trail high in the German mountains. The hand-picked excursions cover overland paths, urban trails, mountain passes, coastal and shoreline strolls, and walks that explore the heritage of the world's most culturally rich destinations. There are gentle walks for beginners - some lasting barely an hour - and more demanding challenges for seasoned enthusiasts that will take months to achieve. Every page provides a wealth of information about a must-try walk, including start and end points, overall distance, difficulty rating, terrain and an estimation of the time it should take to complete, along with links to specially commissioned digital route maps. In short, 1001 Walks You Must Experience Before You Die is an essential reference guide for all those who love to get out of their cars, get off their bikes and lace up their walking shoes.

I Can't Do That, Yet Esther Cordova 2017-11-13 Enna is a girl who doesn't believe in herself and often utters the phrase "I can't do that!" Ruthless River Holly FitzGerald 2017-05-30 A stunning debut; a Departures original publication. The ultimate survival story; a wild ride—the wildest—down a South American river in the thick of the Amazon Basin; a true and thrilling adventure of a young married couple who survive a plane crash only to later raft hundreds of miles across Peru and Bolivia, ending up in a channel to nowhere, a dead end so flooded there is literally no land to stand on. Their raft—a mere four logs—separates them from the piranha-and-caiman-infested water until they finally realize that there is no way out but to swim. Vintage Original. Holly FitzGerald and her husband, Fitz—married less than two years—set out on a yearlong honeymoon adventure of a lifetime, backpacking around the world. Five months into the trip their plane crash lands in Peru at a penal colony walled in by jungle, and their blissfully romantic journey turns into a terrifying nonstop labyrinth of escape and survival. On a small, soon-ravaged raft that quickly becomes their entire universe through dangerous waters alive with deadly animals and fish, their only choice: to continue on, despite the rush of insects swarming them by day, the sounds of encroaching predators at night. Without food or means of communication, with no one to hear their cries for help or on a search-and-rescue expedition to find them, the author and her husband make their way, fighting to conquer starvation and navigate the brute force of the river, their only hope for survival, in spite of hunger and weakening resolve, to somehow, miraculously hang on and find their way east to a large riverside town, before it is too late. . . .
