Four Months...And A Lifetime Chris Meyer 2021-09-01 "Our seasons lasted only four months, but the memories will last lifetimes." Four Months...And A Lifetime is the touching true story of a father who coached his son's basketball team from kindergarten through eighth grade, a remarkable nine-year journey with the same boys. Their final march to the eighth-grade season Championship is interspersed with the author's own journey of falling in love with basketball in early-seventies New York, filled with anecdotes of Dr. J, sneaking into Duke's Cameron Indoor Stadium, and playing pickup in Larry Bird's home state of Indiana. Four Months... And A Lifetime is not only a love story about a father and his son, but of a coach who strived to teach his team the greatest game of basketball and, hopefully, a few life lessons along the way. Touching. Honest. True. Black and White 2006-11-02 For use in schools and libraries only. Two star high school basketball players, one black and one white, experience the justice system differently after committing a crime together and getting caught.

Patrol Walter Dean Myers 2005-01-04 Vietnam. A young American soldier waits for his enemy, rifle in hand, finger on the trigger. He is afraid to move and yet afraid not to move. Gunshots crackle in the still air. The soldier fires blindly into the distant trees at an unseen enemy. He crouches and waits -- heart pounding, tense and trembling, biting back tears. When will it all be over? Walter Dean Myers joined the army on his seventeenth birthday, at the onset of American involvement in Vietnam, but it was the death of his brother in 1968 that forever changed his mind about war. Dark Dude Oscar Hijuelos 2009-03-12 He didn't say good-bye. He didn't leave a phone number. And he didn't plan on coming back - ever. In Wisconsin, Rico could blend in. His light hair and lighter skin wouldn't make him the "dark dude" or the punching bag for the whole neighborhood. The Midwest is the land of milk and honey, but for Rico Fuentes, it's really a last resort. Trading Harlem for Wisconsin, though, means giving up on a big part of his identity. And when Rico no longer has to prove that he's Latino, he almost stops being one. Except he can never have an ordinary white kid's life, because there are some things that can't be left behind, that can't be cut loose or forgotten. These are the things that will be with you forever.... These are the things that will follow you a thousand miles away. For anyone who loved The Outsiders -- and for anyone who's ever felt like one -- Pulitzer Prize-winning novelist Oscar Hijuelos brings to life a haunting choice and an unforgettable journey about identity, misidentity, and all that we take with us when we run away.

Hit Count Chris Lynch 2016-05-24 "I hit him so hard, the clash of helmets and pads sounded like a gunshot across the field. I crushed him with the hit, held on to him and crushed him again when I slammed him into the ground . . . I had arrived." Arlo Brodie loves being at the heart of the action on the football field, getting hit hard and hitting back harder. Arlo's dad cheers him

on, but his mother quotes head injury statistics and refuses to watch games. Arlo's girlfriend tries to make him see how dangerously he's playing; when that doesn't work, she calls time out on their relationship. Even Arlo's coaches begin to track his hit count, ready to pull him off the field when he nears the limit. But for Arlo the winning plays, the cheering crowds, and the adrenaline rush are enough to convince him that everything is OK--in spite of the pain, the pounding, the dizziness, and the confusion. The Hand You're Dealt Paul Volponi 2008-09-30 When Huck Porter's dad suddenly dies, it feels like nothing will ever make sense again. Huck's "best friend" thinks that Huck should just get over it, the girl he likes won't give him the time of day, and his mom now works all hours at a roadside diner to make ends meet. The only thing that still makes sense for Huck is the game his dad taught him, the game they spent hours playing together: Texas hold'em. Worse than all of that, though, is Huck's math teacher, Mr. Abbott -- a hungry card shark with an ego to match his appetite. He now wears the local poker tournament's first prize, a silver watch that Huck's dad wore proudly for three years. So Huck hatches a plan to knock Abbott off his throne and win back the watch. Only, bluffing his way into the tournament will mean lying to everyone Huck knows. But as Huck gets deeper in the tournament and starts to lose himself in the cards, he begins to wonder who he'll be when the last hand is played. Raw and gritty, Paul Volponi's novel about grief, family, and poker is an adrenaline rush that starts with a bang and doesn't let up until the final page is turned. Speak Laurie Halse Anderson 2011-05-10 The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.
