Latin American Cinema Stephen M. Hart 2014-10-15 From El Megano and Black God, White Devil to City of God and Babel, Latin American films have a rich history. In this concise but comprehensive account, Stephen M. Hart traces Latin American cinema from its origins in 1896 to the present day, along the way providing original views of major films and mini-biographies of major film directors. Describing the broad contours of Latin American film and its connections to major historical developments, Hart guides readers through the story of how Hollywood dominance succumbed to the emergence of the Nuevo Cine Latinoamericano and how this movement has led to the "New" New Latin American Cinema of the twenty-first century. He offers a fresh analysis of the effects of major changes in film technology, revealing how paradigm shifts such as the move to digital preceded new cinematographic techniques and visions. He also looks closely at the films themselves, examining how filmmakers express their messages. Finally, he considers the decision by a group of directors to film in English, which enhanced the visibility of Latin American cinema around the world. Featuring 120 illustrations, this clear, cogent guide to the history of this region's cinema will appeal to fans of Central Station and Like Water for Chocolate alike.

From God's Lips to the Devil's Ear Damien M Shindelman 2012-01-05 From Gods Lip's to the Devil's Ear chronicles the life of a power starved, maniacal madman named Abraham who manipulates his way into a powerful position within the Mormon Church. Using the heaven sent, psychic messages of a young child named Zechariah, Abraham plots to control the Church, and the entire world. Abraham will stop at nothing to attain his all consuming desires, and through Zechariah's holy words, Abraham soon controls what is left of our ravaged planet. In this day of ideological terrorism, From God's Lips to the Devil's Ear will both beguile your senses, and make you reflect on man's history, and the abuse of power. From God's Lips to the Devil's Ear is a powerful saga that portrays a world gone mad, where mankind's future is held in the manipulating clutches of a raving and insane tyrant.

Under the Influence of Classic Country Sheree Homer 2019-09-23 ? The music today known as "classic country" originated in the South in the 1920s. Influenced by blues and folk music, instrumentation was typically guitar, fiddle, bass, steel guitar, and later drums, with lyrics and arrangements rooted in tradition. This book covers some of the genre's legendary artists, from its heyday in the 1940s to its decline in the early 1970s. Revivalists keeping the traditions alive in the 21st century are also explored. Drawing on original interviews with artists and their associates, biographical profiles chronicle their lives on the road and in the studio, as well as the stories behind popular songs. Thirty-six performers are profiled, including Ernest Tubb, Ray Price, Loretta Lynn, Bill Anderson, Faron Young, Mickey Gilley, Freddie Hart, Jerry Reed, Charley Pride, David Frizzell, The Cactus Blossoms, The Secret Sisters, and Pokey LaFarge.

Just Keep Rowing Katie Spatz 2015-09-01 Just Keep Rowing is a self-empowerment book written by Katie and co-author, Mark Bowles, with 70 life lessons that parallel the number of days Katie spent alone at sea rowing across the Atlantic Ocean. The book is a personal conversation between you and Katie. During her journey she learned many vital life lessons from the Atlantic. As she found out, an ocean is a great teacher of the meaning of life. Katie became its student, sometimes reluctantly but often enthusiastically, and she wants to communicate these lessons because she believes they can be valuable for everyone. From students to business executives, and to people just wanting to find new ways to live life to the fullest, these lessons from the Atlantic will help you see the world from a new perspective.

Weekly Compilation of Presidential Documents 1970

Morgan Hill U.R. Sharma 2005-07-06 Morgan Hill lies at the foot of stately El Toro Mountain in southern Santa Clara Valley. Martin Murphy Sr. settled here in 1845, and only a generation later the Murphy family had managed to acquire 70,000 acres. Martin's son Daniel owned over a million acres in the western United States when his only daughter, the beautiful Diana, secretly married Hiram Morgan Hill in 1882. Hiram and Diana inherited part of the original ranch, where they built their lovely Villa Mira Monte. Although the Southern Pacific Railroad tried to name the nearby depot "Huntington," passengers always asked to stop at Morgan Hill's ranch, a popular christening of a community surrounded by thriving orchards and vineyards. After World War II, Morgan Hill became a desirable suburb and has remained so through the birth of Silicon Valley.
