Homer & Langley E.L. Doctorow 2010-09-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE SAN FRANCISCO CHRONICLE, THE CHICAGO TRIBUNE, THE ST. LOUIS POST-DISPATCH, THE KANSAS CITY STAR, AND BOOKLIST Homer and Langley Collyer are brothers—the one blind and deeply intuitive, the other damaged into madness, or perhaps greatness, by mustard gas in the Great War. They live as recluses in their once grand Fifth Avenue mansion, scavenging the city streets for things they think they can use, hoarding the daily newspapers as research for Langley’s proposed dateless newspaper whose reportage will be as prophecy. Yet the epic events of the century play out in the lives of the two brothers—wars, political movements, technological advances—and even though they want nothing more than to shut out the world, history seems to pass through their cluttered house in the persons of immigrants, prostitutes, society women, government agents, gangsters, jazz musicians . . . and their housebound lives are fraught with odyssean peril as they struggle to survive and create meaning for themselves.

Under the Influence of Classic Country Sheree Homer 2019-09-23 □ The music today known as "classic country" originated in the South in the 1920s. Influenced by blues and folk music, instrumentation was typically guitar, fiddle, bass, steel guitar, and later drums, with lyrics and arrangements rooted in tradition. This book covers some of the genre's legendary artists, from its heyday in the 1940s to its decline in the early 1970s. Revivalists keeping the traditions alive in the 21st century are also explored. Drawing on original interviews with artists and their associates, biographical profiles chronicle their lives on the road and in the studio, as well as the stories behind popular songs. Thirty-six performers are profiled, including Ernest Tubb, Ray Price, Loretta Lynn, Bill Anderson, Faron Young, Mickey Gilley, Freddie Hart, Jerry Reed, Charley Pride, David Frizzell, The Cactus Blossoms, The Secret Sisters, and Pokey LaFarge. Morgan Hill U.R. Sharma 2005-07-06 Morgan Hill lies at the foot of stately El Toro Mountain in southern Santa Clara Valley. Martin Murphy Sr. settled here in 1845, and only a generation later the Murphy family had managed to acquire 70,000 acres. Martin's son Daniel owned over a million acres in the western United States when his only daughter, the beautiful Diana, secretly married Hiram Morgan Hill in 1882. Hiram and Diana inherited part of the original ranch, where they built their lovely Villa Mira Monte. Although the Southern Pacific Railroad tried to name the nearby depot "Huntington," passengers always asked to stop at Morgan Hill's ranch, a popular christening of a community surrounded by thriving orchards and vineyards. After World War II, Morgan Hill became a desirable suburb and has remained so through the birth of Silicon Valley.

Andrew's Brain E.L. Doctorow 2014-10-21 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ST. LOUIS POST-DISPATCH, SLATE, AND THE TELEGRAPH This brilliant novel by the author of Ragtime, The Book of Daniel, Billy Bathgate, and The March takes us on a radical trip into the mind of a man who, more than once, has been the inadvertent agent of disaster. Speaking from an unknown place and to an unknown interlocutor, Andrew is thinking, Andrew is talking, Andrew is telling the story of his life, his loves, and the tragedies that have led him to this place and point in time. As he peels back the layers of his strange story, we are led to question what we know about truth and memory, brain and mind, personality and fate, about one another and ourselves. Probing, mischievous, and profound, Andrew's Brain is a singular achievement in the canon of an American master. Look for special features inside. Join the Random House Reader's Circle for author chats and more. "Too compelling to put down . . . fascinating, sometimes funny, often profound . . . Andrew is a provocatively interesting and even sympathetic character. . . . The novel seamlessly combines Doctorow's

remarkable prowess as a literary stylist with deep psychological storytelling pitting truth against delusion, memory and perception, consciousness and craziness. . . . [Doctorow] takes huge creative risks—the best kind. . . . USA Today —Andrew’s Brain is cunning. . . . [A] sly book . . . This babbling Andrew is a casualty of his times, binding his wounds with thick wrappings of words, ideas, bits of story, whatever his spinning mind can unspool for him. . . . One of the things that makes [Andrew] such a terrific comic creation is that he’s both maddeningly self-delusive and scarily self-aware: He’s a fool, but he’s no innocent. . . . Andrew may not be able to enjoy his brain, but Doctorow, freely choosing to inhabit this character’s whirligig consciousness, can. . . . The New York Times Book Review —A tantalising tour de force . . . a journey worth taking . . . With exhilarating brio, the book plays off . . . two contrasting takes on mind and brain. . . . [Andrew’s Brain encompasses] an astonishing range of modes: vaudeville humour, tragic romance, philosophical speculation. . . . It fizzes with intellectual energy, verbal pyrotechnics and satiric flair. . . . The Sunday Times (London) —Dramatic . . . cunning and beautiful . . . strange and oddly fascinating, this book: a musing, a conjecture, a frivolity, a deep interrogatory, a hymn. . . . San Francisco Chronicle —Provocative . . . a story aswirl in a whirlpool of neuroscience, human relations, loss, guilt and recent American history . . . Doctorow reveals his mastery in the sheen of a text that is both window and mirror. Reading his work is akin to soaring in a glider. Buoyed by invisible breath, readers encounter stunning vistas stretching to horizons they’ve never imagined. . . . The Plain Dealer —Andrew’s ruminations can be funny, and his descriptions gorgeous. . . . Associated Press —[An] evocative, suspenseful novel about the deceptive nature of human consciousness. . . . More —A quick and acutely intelligent read. . . . Entertainment Weekly

From God's Lips to the Devil's Ear Damien M Shindelman 2012-01-05 From Gods Lip's to the Devil's Ear chronicles the life of a power starved, maniacal madman named Abraham who manipulates his way into a powerful position within the Mormon Church. Using the heaven sent, psychic messages of a young child named Zechariah, Abraham plots to control the Church, and the entire world. Abraham will stop at nothing to attain his all consuming desires, and through Zechariah's holy words, Abraham soon controls what is left of our ravaged planet. In this day of ideological terrorism, From God's Lips to the Devil's Ear will both beguile your senses, and make you reflect on man's history, and the abuse of power. From God's Lips to the Devil's Ear is a powerful saga that portrays a world gone mad, where mankind's future is held in the manipulating clutches of a raving and insane tyrant.

Just Keep Rowing Katie Spatz 2015-09-01 Just Keep Rowing is a self-empowerment book written by Katie and co-author, Mark Bowles, with 70 life lessons that parallel the number of days Katie spent alone at sea rowing across the Atlantic Ocean. The book is a personal conversation between you and Katie. During her journey she learned many vital life lessons from the Atlantic. As she found out, an ocean is a great teacher of the meaning of life. Katie became its student, sometimes reluctantly but often enthusiastically, and she wants to communicate these lessons because she believes they can be valuable for everyone. From

students to business executives, and to people just wanting to find new ways to live life to the fullest, these lessons from the Atlantic will help you see the world from a new perspective.

Latin American Cinema Stephen M. Hart 2014-10-15 From *El Megano* and *Black God, White Devil* to *City of God* and *Babel*, Latin American films have a rich history. In this concise but comprehensive account, Stephen M. Hart traces Latin American cinema from its origins in 1896 to the present day, along the way providing original views of major films and mini-biographies of major film directors. Describing the broad contours of Latin American film and its connections to major historical developments, Hart guides readers through the story of how Hollywood dominance succumbed to the emergence of the *Nuevo Cine Latinoamericano* and how this movement has led to the "New" New Latin American Cinema of the twenty-first century. He offers a fresh analysis of the effects of major changes in film technology, revealing how paradigm shifts such as the move to digital preceded new cinematographic techniques and visions. He also looks closely at the films themselves, examining how filmmakers express their messages. Finally, he considers the decision by a group of directors to film in English, which enhanced the visibility of Latin American cinema around the world. Featuring 120 illustrations, this clear, cogent guide to the history of this region's cinema will appeal to fans of *Central Station* and *Like Water for Chocolate* alike.

Angel Baby Richard Lange 2013-05-14 Winner of the International Association of Crime Writers' Dashiell Hammett Award: A woman goes on the run in this intense and cinematic thriller by an award-winning writer. To escape the awful life she has descended into, Luz plans carefully. She takes only the clothes on her back, a Colt .45, and all the money in her husband's safe. The corpses in the hallway weren't part of her plan. Luz needs to find the daughter she left behind years earlier, but she knows she may die trying. Her husband is El Principe, a key player in a high-powered drug cartel, a business he runs with the same violence he has used to keep Luz his perfect, obedient wife. With the pace and relentless force of a Scorsese film, *ANGEL BABY* is the newest masterpiece from one of the most ambitious and talented crime novelists at work today.
