Koontz 2010-12-28 In *Frankenstein: Lost Souls*, Dean Koontz puts a singular twist on this classic tale of ambition and science gone wrong, to forge a new legend uniquely suited to our times. It is a story of revenge, redemption, and the thin line that separates human from inhuman. The work of creation has begun again. Victor Leben, once Frankenstein, has seen the future? and he's ready to populate it. Using stem cells, ?organic? silicon circuitry, and nanotechnology, he will engender a race of superhumans? the perfect melding of flesh and machine. With a powerful, enigmatic backer and a secret location where the enemies of progress can't find him, Victor is certain that this time nothing can stop him. It is up to five people to prove him wrong. In their hands rests nothing less than the survival of humanity itself. They are drawn together in different ways, by omens sinister and wondrous, to the same shattering conclusion: Two years after they saw him die, the man they knew as Victor Helios lives on. **The Moonlit Mind** (Novella) Dean Koontz 2011-11-28 In this chilling original stand-alone novella, available exclusively as an eBook, #1 New York Times bestselling author Dean Koontz offers a taste of what's to come in his new novel, 77 Shadow Street, with a mesmerizing tale of a homeless boy at large in a city fraught with threats . . . both human and otherwise. Twelve-year-old Crispin has lived on the streets since he was nine--with only his wits and his daring to sustain him, and only his silent dog, Harley, to call his friend. He is always on the move, never lingering in any one place long

enough to risk being discovered. Still, there are certain places he returns to. In the midst of the tumultuous city, they are havens of solitude: like the hushed environs of St. Mary Salome Cemetery, a place where Crispin can feel at peace—safe, at least for a while, from the fearsome memories that plague him . . . and seep into his darkest nightmares. But not only his dreams are haunted. The city he roams with Harley has secrets and mysteries, things unexplainable and maybe unimaginable. Crispin has seen ghosts in the dead of night, and sensed dimensions beyond reason in broad daylight. Hints of things disturbing and strange nibble at the edges of his existence, even as dangers wholly natural and earthbound cast their shadows across his path. Alone, drifting, and scavenging to survive is no life for a boy. But the life Crispin has left behind, and is still running scared from, is an unspeakable alternative . . . that may yet catch up with him. There is more to this world, and its darkest corners yet to be encountered, in this eBook's special bonus: a spine-tingling excerpt from Dean Koontz's forthcoming novel, *77 Shadow Street*.

**By the Light of the Moon** Dean Koontz 2007-06-15 Dean Koontz has surpassed his longtime reputation as "America's most popular suspense novelist" (Rolling Stone) to become one of the most celebrated and successful writers of our time. Reviewers hail his boundless originality, his art, his unparalleled ability to create highly textured, riveting drama, at once viscerally familiar and utterly unique. Author of one #1 New York Times bestseller after another, Koontz is at the pinnacle of his powers, spinning mysteries and miracles, enthralling tales that speak directly to today's readers, balm for the heart and fire for the mind. In this stunning new novel, he delivers a tour de force of dark suspense and brilliant revelation that has all the Koontz trademarks: adventure, chills, riddles, humor, heartbreak, an unforgettable cast of characters, and a climax that will leave you clamoring for more. Dylan O'Connor is a gifted young artist just trying to do the right thing in life. He's on his way to an arts festival in Santa Fe when he stops to get a room for himself and his twenty-year-old autistic brother, Shep. But in a nightmarish instant, Dylan is attacked by a mysterious "doctor," injected with a strange substance, and told that he is now a carrier of something that will either kill him...or transform his life in the most remarkable way. Then he is told that he must flee—before the doctor's enemies hunt him down for the secret circulating through his body. No one can help him, the doctor says, not even the police. Stunned, disbelieving, Dylan is turned loose to run for his life...and straight into an adventure that will turn the next twenty-four hours into an odyssey of terror, mystery--and wondrous discovery. It is a journey that begins when Dylan and Shep's path intersects with that of Jillian Jackson. Before that evening Jilly was a beautiful comedian whose biggest worry was whether she would ever find a decent man. Now she too is a carrier. And even as Dylan tries to convince her that they'll be safer sticking together, cold-eyed men in a threatening pack of black Suburbans approach, only seconds before Jilly's classic Coupe DeVille explodes into thin air. Now the three are on the run together, but with no idea whom they're running from—or why. Meanwhile Shep has begun exhibiting increasingly disturbing behavior. And whatever it is that's coursing through their bodies seems to have plunged them into one waking nightmare after another. Seized by sinister premonitions, they find themselves inexplicably drawn to crime scenes—just minutes before the crimes take place. What this unfathomable power is, how they can use it to stop the evil erupting all around them, and why they have been chosen are only parts of a puzzle that reaches back into the tragic past and the dark secrets they all share: secrets of madness, pain, and untimely death. Perhaps the answer lies in the eerie, enigmatic messages that Shep, with precious time running out, begins to repeat, about an entity who does his work "by the light of the moon." *By the Light of the Moon* is a novel of heart-stopping suspense and transcendent beauty, of how evil can destroy us and love can redeem us—a masterpiece of the imagination in which the surprises come page after page and the spell of sublime storytelling triumphs throughout. BONUS: This edition contains an excerpt from Dean Koontz's *The City*.
