World Investment Report **World Trade Organization** 2019-08-09 The 2019 edition of the World Investment Report focuses on special economic zones (SEZs) which are widely used across most developing and many developed economies. Although the performance of many zones remains below expectations, the rate of establishment of new zones is high as governments increasingly compete for internationally mobile industrial activity. Policymakers face not only the traditional challenges of making SEZs succeed, including the need for strategic focus, sound governance models, and effective investment promotion but also new challenges brought about by the sustainable development imperative, the new industrial revolution, and changing patterns of international production. The Report explores the place of SEZs in today's global investment landscape and provides guidance for policymakers on how to make SEZs work for sustainable development. It presents international investment trends and prospects at regional and national levels, as well as the evolution of international production and global value chains. It analyses the latest developments in new policy measures for investment promotion, facilitation and regulation around the world, as well as updates on investment treaties, their reform and investment dispute settlement cases.

The Coalfield Express by Susmit Sarkar 2014-11-24 This book is about a mystery in the arena of Love. It starts off in a flashback to 1962. Susmit, an Electrical Engineer trips over Sheena, a student of Archeology. And the place circumscribes the compartment of a train named THE COALFIELD EXPRESS, with departure time of 5:20 pm at Howrah Station and expected arrival time of 7:30 pm at Durgam Cheruvu. The novel sparks up with Love but ends with a mystery. Things in the compartment starts to get a bit rocky, when the combo of Sheena meet a series of disasters. Crossing a lot of hurdles, their feet succeeded in laying them to their destination, in short time was 2:00 am. Before the next 24 hours can pass they are separated. The flashback ends when after two years Susmit meets Sheena again in the Coalfield Express, but this time with an old man. But a lot had happened in the last two years. No, its not that Susmit had fallen in love with any other geek. Its even more serious. Sheena had fallen into trouble. . A trouble that started with an excursion to the sands of Rajasthan, where she finds a cryptex, which got lost even before she could blink her eye. Are they able to crack the code? Roy, a villain gets it before their game even begins? Thats the question. I hope you enjoy the trip
