Jim Butcher's The Dresden Files: Fool Moon Vol. 2 Jim Butcher 2013-12-11 The star of Jim Butcher's New York Times bestselling novel series, The Dresden Files, Harry Dresden is a private investigator whose clients require a detective with supernatural expertise - in other words, he's a wizard for hire. The Windy City has been hit with an outbreak of savage werewolf attacks - a case made even more chaotic and challenging by the fact that Harry's uncovered no less than three lycanthropic groups, each seemingly in conflict with one another. On top of that, Harry's lost the faith of his one friend and ally among the Chicago Police Department, Karrin Murphy. Now she, along with werewolves and hostile FBI Agents, hunts Harry while he races against the rise of the next full moon to discover who - or what - is behind the string of murders!

Fool Moon Jim Butcher 2011 Meet Harry Dresden, Chicago's first (and only)

Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Business has been slow lately for Harry Dresden. Okay, business has been dead. Not undead - just dead. You would think Chicago would have a little more action for the only professional wizard in the phone book. But lately, Harry hasn't been able to dredge up any kind of work - magical or mundane. But just when it looks like he can't afford his next meal, a murder comes along that requires his particular brand of supernatural expertise. A brutally mutilated corpse. Strange-looking paw prints. A full moon. Take three guesses. And the first two don't count . . . Magic - it can get a guy killed.

Jim Butcher's Dresden Files Jim Butcher 2014-12-09 A war is raging between the vampire forces of the Red Court and the White Council - a war that the wizards are losing. So desperate are the Council that they've dragooned the experienced and the outcast to reinforce their thinning ranks of Wardens. One of these draftees is one Harry Dresden, Chicago's only wizard-for-hire and a guy who's long been looked upon with suspicion by the supernatural authorities. Now, he's one of them, and his first big mission as a Warden is a doozy: take a small team of greenhorns to a frigid town in the middle of nowhere to rescue a handful of mortals who've been targeted by the Red Court. The question is, why exactly are these particular mortals so crucial to the outcome of the war? The answer will come only if Harry can keep them, and his team, alive for one very long night. This graphic novel collects the critically acclaimed, five-issue series in one volume, and features a bonus section with Jim Butcher's original story outline, sketchbook artwork from Carlos Gomez, cover gallery with roughs from Stjepan Sejic, and more! Creator Commentary from Jim Butcher: "The greatest frustration about writing the Dresden Files is all the stories I come up with that are too small or too straightforward to write into a novel. One of the great pleasures I've had as a writer is getting the opportunity to tell some of those stories in a short-story format, and in graphic novels like this one! War Cry is one of the stories I always wanted to tell but never got the chance to in the context of the novels, and I'm extremely pleased with how well it's coming out."

White Night Jim Butcher 2008-02-05 Wizard Harry Dresden must investigate his own flesh and blood when a series of killings strike Chicago's magic practitioners in this novel in the #1 New York Times bestselling series. Harry sets out to find the apparent serial killer, but his investigation turns up evidence pointing to the one suspect he cannot possibly believe guilty: his half-brother, Thomas. To clear his brother's name, Harry rushes into a supernatural power struggle that renders him outnumbered, outclassed, and dangerously susceptible to temptation. And Harry knows that if he screws this one up, people will die—and one of them will be his brother...

Thirty Day Boyfriend Whitney G. 2017-10-16 I should've never agreed to this arrangement... Thirty days ago, my boss (Mr. Wolf of Wall Street), came to me with an offer I couldn't refuse: Sign my name on the dotted line and pretend to be his fiancée for one month. If I agreed, he would let me out of my employment contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. I signed my name and started counting down the seconds to when I would never have to deal with his special brand of asshole again. I only made it to one minute... We argued the entire four-hour flight to his hometown, failed to make a convincing impression with the welcoming press, and right when I was about to knock that arrogant look off his face in real life? He purposely dropped his bath towel in front of me, distracting me with his nine-inch cock to "show me who the bigger person was" in our relationship. Then he gave me his trademark smirk once again and asked if I wanted to consummate our marriage. Tragically, this is only day one. We still have 29 more days to go...

Jim Butcher's the Dresden Files: Fool Moon Volume 2 Hc Jim Butcher 2013

While investigating a string of werewolf attacks, Harry Dresden has discovered three lycanthropic groups in conflict with one another and must discover which group is responsible for the string of murders.

The Harry Bosch Novels Michael Connelly 2001-10-22 For the first time in one volume, the three novels that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymous (Harry) Bosch. The Black Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. The Black Ice The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. The Concrete Blonde When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man-a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the New York Times Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames."

Blood Rites Jim Butcher 2004-08-03 In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the target of a sinister curse-but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas-his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas' family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.
