This Light Between Us: A Novel of World War II Andrew Fukuda 2020-01-07 Winner of the American Library Association's Asian/Pacific American Award for Literature For readers of The Librarian Of Auschwitz, This Light Between Us is a powerfully affecting story of World War II about the unlikeliest of pen pals—a Japanese American boy and a French Jewish girl—as they fight to maintain hope in a time of war. “I remember visiting Manzanar and standing in the windswept plains where over ten thousand internees were once imprisoned, their voices cut off. I remember how much I wanted to write a story that did right by them. Hopefully this book delivers.”—Andrew Fukuda In 1935, ten-year-old Alex Maki from Bainbridge Island, Washington is disgusted when he's forced to become pen pals with Charlie Lévy of Paris, France—a girl. He thought she was a boy. In spite of Alex's reluctance, their letters continue to fly across the Atlantic—and along with them, the shared hopes and dreams of friendship. Until the Japanese attack on Pearl Harbor and the growing Nazi persecution of Jews force them to confront the darkest aspects of human nature. From the desolation of an internment camp on the plains of Manzanar to the horrors of Auschwitz and the devastation of European battlefields, the only thing they can hold onto are the memories of their letters. But nothing can dispel the light between them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Tale of Sinuhe and Other Ancient Egyptian Poems, 1940-1640 BC 1998 "This anthology contains all the substantial surviving works from the golden age of Ancient Egyptian fictional literature (c.1940-1640 B.C.). Composed by an anonymous author in the form of a funerary autobiography, the Tale tells how the courtier Sinuhe flees Egypt at the death of his king. His adventures bring wealth and happiness, but his failure to find meaningful life abroad is only redeemed by the new king's sympathy, and he finally returns to the security of his homeland. Other works from the Middle Kingdom include a poetic dialogue between a man and his soul on the problem of suffering and death, a teaching about the nature of wisdom which is bitterly

spoken by the ghost of the assassinated King Amenemhat I, and a series of light-hearted tales of wonder from the court of the builder of the Great Pyramid."--Jacket.

The God Catchers Thomas Nelson 2002-10-06 Why do some believers experience genuine, life-changing, personal revival while others don't? In *The God Catchers*, the sequel to the phenomenal *The God Chasers*, Tommy explains the difference: "God in a sense plays hide and seek. But like a loving parent, He always makes sure He can be found by those who take the time to look." Simply put, those who earnestly seek God rather than wait for something to happen find Him. Full of biblical and contemporary accounts of believers who chased God and caught Him, *The God Catchers* will motivate readers to discover the joy of finding God and having a loving relationship with Him.

Live at the Fillmore East 2000-10-10 From 1968 to 1971 Bill Graham's Fillmore East in New York City was the East coast Mecca for the music that shaped a generation. Not only that: thanks to a visionary technical staff and unsurpassed psychedelic light shows, the Fillmore East stage was the place where rock music became rock theater. Now available in paperback, the highly acclaimed *Live at the Fillmore East* tells the story of its heyday with more than 200 black and white behind-the-scenes photographs and exclusive interviews. Included here are photos of the Who's premiere of *Tommy* in 1969; John and Yoko's surprise encore to a Frank Zappa concert; the jam between the Allman Brothers, the Grateful Dead, and Mick Fleetwood in 1970; Janis Joplin's first performance after singing with CBS records; Jimi Hendrix's New Year's Eve concerts; Van Morrison during the first-ever television taping of a rock concert in 1970; and many other defining moments of rock history "Amalie R. Rothschild's pictures bring back the entire Fillmore East experience in vivid detail. Rock and Roll was a baby back then and Bill Graham was it's midwife - he birthed the modern version of a rock and roll concert." -- Mickey Hart

The Birth of Venus Sarah Dunant 2004-11-30 Alessandra Cecchi is not quite fifteen when her father, a prosperous cloth merchant, brings a young painter back from northern Europe to decorate the chapel walls in the family's Florentine palazzo. A child of the Renaissance, with a precocious mind and a talent for drawing, Alessandra is intoxicated by the painter's abilities. But their burgeoning relationship is interrupted when Alessandra's parents arrange her marriage to a wealthy, much older man. Meanwhile, Florence is changing, increasingly subject to the growing suppression imposed by the fundamentalist monk Savonarola, who is seizing religious and political control. Alessandra and her native city are caught between the Medici state, with its love of luxury, learning, and dazzling art, and the hellfire preaching and increasing violence of Savonarola's reactionary followers. Played out against this turbulent backdrop, Alessandra's married life is a misery, except for the surprising freedom it allows her to pursue her powerful attraction to the young painter and his art. The Birth of Venus is a tour de force, the first historical novel from one of Britain's most innovative writers of literary suspense. It brings alive the history of Florence at its most dramatic period, telling a compulsively absorbing story of love, art, religion, and power through the passionate voice of Alessandra, a heroine with the same vibrancy of spirit as her beloved city.

The Mary/Martha Principles Tommy Tenney 2007-06-01 We must learn to work like Martha and worship like Mary. It is essential that we do not do one to the exclusion of the other. The God Chasers Tommy Tenney 1999-02-28 A God chaser is a person whose passion for God's presence presses him to chase the impossible in hopes that the uncatchable might catch him. A child chases a loving parent until, suddenly, the strong arms of the father enfold the chaser. The pursuer becomes the captive; the pursued the captor. Paul put it this way: "I chase after that I may catch that which apprehended me" (Phil. 3:12). Job was a God chaser. He said, "Oh that I knew where I might find Him!" David was one; he said, "My soul followeth hard after Thee." Paul was one too: "That I may know Him..." The passionate paths of God chasers can be traced across the pages of history from Moses the stutterer, David the singer, and Paul the itinerant preacher, to contemporaries like A.W. Tozer, Leonard Ravenhill, and countless others who share one common bond: an insatiable hunger to know their Lord. These are people whose relentless, passionate pursuit of Christ often made them appear foolish in the eyes of others. Yet, having tasted His goodness and glimpsed the invisible, they could be satisfied with nothing less. Add your name to the list...become a God chaser. Who know? You might be one whom He catches.

God's Eye View Thomas Nelson 2008-07-13 In God's Eye View, Tommy Tenney explores how worship lifts us up to see the trouble we face from God's perspective instead of being trapped in an earthly, time-bound viewpoint. The higher we go, the smaller our problems seem. Tenney also teaches the Principle of Magnification: The closer you get to something, the bigger it appears. In other words, worship not only "shrinks" our problems; it also magnifies God in our lives and to others. Worship doesn't really change our problems; it just minimizes their influence over us as we focus on God. He doesn't promise to remove all of our circumstances, but God does assure us that in His presence and from His perspective--we can see things as they really are and not how they appear to be. In the book of Revelation John was instructed to "behold the Lion," but from an earthly perspective John saw only the Lamb. The heavenly perspective reveals that the Lamb is the Lion, the babe of Bethlehem is the "ancient of days," and the dragon is really a weakened lizard. God's eye view is higher than man's. Higher than a bird's eye view, higher than a man's eye view is God's eye view.

Finding Favor With the King Tommy Tenney 2004-12-01 Tenney takes readers to Esther's pre-Islamic Persia to uncover the secrets that helped her win the heart and gain the ear of the king and save her people from destruction. A Jewish girl of no royal heritage was chosen to become the Queen of Persia. Was it her beauty alone, or did she know an important and mysterious truth? Tenney challenges his readers to move beyond formal petitions or even "storming the gates of heaven" to that intimate embrace of worship where the bride's petitions move the King's heart and where kingdoms, people, and situations begin to shift like pawns on a divine chessboard.

The Hadassah Covenant Tommy Tenney 2006-11-01 The modern-day Hadassah, introduced to readers in the previous novel, is the wife of Israel's Prime Minister, with all its reflected power but also its isolation. The inner pain she feels as her beloved land and people are terrorized by political strife and bombings is made even more personal as her own father comes under attack. And then she learns of information that could have tragic repercussions on Jews living in Iraq, where Queen Esther had laid her own life on the line to save her people. The successor to Xerxes has no love for the Jews, and when he discovers the Star of David medallion on Leah (the young queen's candidate Esther wrote to in Hadassah), he is outraged. Leah is delegated to the "rejected" category, virtually a prisoner for life in the king's palace, with no hope and no future. Will Queen Esther and Mordecai be able to rescue Leah from the "ash heap" of Persian royal tradition? And even if they can, will Leah ever be able to truly love someone after all she has been through?

Esther Rebecca Kanner 2016-06-21 A fictional telling of how Queen Esther risked her life to prevent the killing of all the Jews in Persia.

Queen Vashti has been banished and an edict goes out for all qualified young virgins throughout the empire to be taken to the palace as he searches for a new queen. Fear strikes in the hearts of many, including Mordecai, as he realizes Hadassah will be taken. To hide her identity as a Jew, he tells her to go by the name of Esther. One night, Leventhal is confronted by a stranger--'one of those guys who want you to think they can see to the bottom of your soul'--who reveals himself to be a marginal figure from his distant past. Leventhal, accused of ruining the man's life, becomes shocked and dismissive, vehemently denying any part in the man's unhappy lot. A brief, haunting rumination on the vagaries of fate and responsibility, *The Victim* is, in the words of Norman Rush, Saul Bellow's "purest creation."

Terror in the Night Jack Nelson 1996 In 1966 the Ku Klux Klan launched a second front in the South, this one against Mississippi's small enclaves of Jews. Well assimilated within the white population, Jews had been diffident about voicing support of black civil rights. When violence erupted and Jewish voices began crying out for action, the Klan scapegoated Jews in a campaign of terror. Jack Nelson, himself a Mississippian and in the 1960s Atlanta bureau chief for the Los Angeles Times, had lost no time in coming home to write page-one reports on the civil rights struggle. In *Terror in the Night* he re-creates the chilling experiences of investigating the Klan's campaign against the Jews. He reports on the bombing of a Jackson synagogue, the dynamiting of a rabbi's house, and the Klan's marking select Mississippi Jews for execution. He reports how law enforcement's clandestine investigations, bankrolled by Mississippi Jews, helped bag the terrorists in a nearly disastrous shootout.

A Lineage of Grace Francine Rivers 2012-11-21 The complete biblical historical fiction compilation by the New York Times bestselling author of *Redeeming Love* and *A Voice in the Wind*. The Bible is filled with inspiring stories of unlikely candidates God chose to change eternity. This bestselling compilation in one volume contains five novellas about such people—women in the family tree of Jesus Christ. Tamar. Rahab. Ruth. Bathsheba. Mary. Each was faced with extraordinary—even scandalous—challenges. But they had courage. They lived daring lives. Sometimes they made mistakes—big mistakes. And yet God, in His infinite mercy, used them to bring forth the Christ, the Savior of the world. Their stories still hold great meaning and inspiration for us today. Tamar risked her life and her reputation to be the woman she was called to be. See how God uses our circumstances and our steps toward Him, however faltering, to fulfill His plan. Rahab was exploited by men who saw only her beauty, yet she held fast to her faith in God and was rewarded. Discover how God seeks and finds those whose hearts are tender toward Him, no matter how far away they are. Ruth's loyalty, especially toward her mother-in-law Naomi, helped her to persevere in the face of tragedy, and God gave her a second chance at love. Be encouraged that God will provide even when all hope seems lost. Bathsheba's scandalous affair with David did not end in one night. Learn that God is willing to restore those lost in the depths of despair who call out to Him. Mary is one of the most

revered women in history. But first, she was an ordinary woman striving to please God in the same way that women still do today. When God spoke, Mary responded in obedience which changed the world forever. Each novella includes an in-depth Bible study perfect for personal reflection or group discussion.

Ulterior Motives (Covert Missions Book #3) Mark Andrew Olsen 2009-03-01 When an al-Qaida email is intercepted, promising a New Year's Day attack on America, it leads to the capture of the group's leader. But even under fierce interrogation, the terrorist clings to his jihadist beliefs and resists divulging anything of the threat. Desperate, the Army resorts to a contingency paper that proposes to break a subject's resistance by inducing a religious conversion. One hitch: the top-secret attempt must be masked as an offer of clemency, and must rely on a completely innocent mentor, a so-called witness who is unaware of the project's true aims. They find that witness in Greg Cahill, a disgraced FBI agent who has since turned to Christ and serves in a prison ministry. Lured by an offer of restoration, as well as the lifting of a restraining order that's keeping him from seeing his son, Greg begins an unlikely friendship with a man the entire country despises. Despite himself, he begins to share his faith--yet with a combustible result unforeseen by either himself or his government handlers.

Finding Your Way Tommy Tenney 2008-01-11 In *The Ultimate Comeback* Tommy Tenney showed us how we can find restoration and healing after even the most egregious errors and from the most hopeless situations. In Tenny's new book, the pilgrimage of Ruth and Naomi to Bethlehem is the springboard for Tenney's message which teaches that many of the things that go wrong in our lives can be resolved or even avoided by adopting some very basic principles. We desperately need to downsize, reprioritize, and sometimes even sacrifice less important things in order to simplify our lives. In doing so, we become unfettered enough to see more clearly where our priorities should lie. We have the tendency to seek temporary satisfaction through a more convenient or more accommodating value system. We settle on whatever gives us permission to do what we want and to acquire what we desire. Ruth possessed the virtues of wisdom, faith, and trust; and employing these while enduring personal crisis, she realized that the very things she needed for inner strength and support were her family traditions. What we find on this journey is that these foundational tenets lead us down a path to a place of peace and contentment, to the Things that Really Matter.
