Act of Faith Stephen Rubino 2021-11-04 Act of Faith: America's longest running criminal conspiracy perpetrated against children By: Stephen Rubino [www.actoffaithbook.com](http://www.actoffaithbook.com)  
About the Book In his debut novel, trial attorney Stephen Rubino takes the reader on an electrifying journey of deceit, intrigue, tragedy, passion and ultimate redemption. At the intersection of the sacred and the profane, Act of Faith dissects the Vatican's complicity in America's longest criminal conspiracy perpetrated against children. This multi-generational family saga is richly portrayed through an ensemble cast of unforgettable characters, revealing the secret world of the Vatican's sheltering of sexual predators to avoid bringing scandal to the faithful. Act of Faith offers an unflinching account of the still emerging sexual abuse scandal plaguing the Catholic Church and its impact on the survivors and their families across America. The story chronicles the lives of siblings Francis and Elizabeth Natale, who suffer unspeakable psychological damage after being sexually abused by their trusted parish priest. As adults, Francis and Elizabeth become estranged, each hiding their secrets in dangerous double lives. He as a gifted pianist and sexually conflicted Catholic priest, she as a reckless but highly successful trial attorney. After resigning her partnership in a major New York City law firm, Elizabeth sets out to uncover the roots of the abuse scandal and to exact her personal revenge. On a serendipitous road trip across the country, Elizabeth confronts her lifelong demons and forms an unlikely alliance with Father Thomas Atkinson, her long lost high school love who has become a Vatican whistleblower. After a tense reunion with Francis, the trio enters the super-charged environment of high stakes litigation, exposing the Church's centuries old practice of hiding sexual predators in plain sight from the religious faithful and law enforcement. Together, the trio brings to the courthouse steps the first Federal Civil Racketeering lawsuit against the Catholic Church.

Black Sunshine Ninie Hammon 2014-06-07 Some secrets won't stay buried with the corpses ... not even under a mountain. Ever since a rescue team dragged an unconscious Will Gribbins from the rubble of the explosion that killed twenty-seven miners in the Harlan #7 Coal Mine, shame, guilt, and fear have gnawed at Will's soul. What happened down in the dark of the mine after the explosion has dogged him for decades and reduced him to a homeless, under-the-bridge drunk. But now Will has

finally stopped running. Clinging desperately to the precepts of a twelve-step program, he comes home to the mountains to seek impossible forgiveness, and to confess what he did—only to discover that the truth about what really happened that day in a mile-deep hole under Black Mountain lies in the magical coal statues carved by a handicapped boy. But his return has lit a fuse that could explode into murder. With painstaking research, Ninie Hammon has created a dark, dangerous world, accurate to the smallest detail. If you love gut-wrenching suspense coupled with a dusting of “the unexplainable,” step into the forever night of Black Sunshine’s coal mines. But don’t go too deep or stay too long. Or you might meet the mother of all terrors—being buried alive, gasping for breath until there’s no air left.

Typin' 'Bout My Generation Ninie Hammon 2019-09-20 There is a storyteller in you. She doesn't care how old you are. She doesn't care if you're retired, semi-retired, nearing retirement or just over it. She doesn't care if you used to be a repairman, or an accountant, or a rodeo clown. She doesn't care how sure you are that it's too late to start something new. There is a storyteller in you. And it's time you started listening. My name is Ninie Hammon and I'm 72 years old. (If you say 72 years young, I will reach out from this page and punch you in the face.) I started writing my first book when I was 58. Too late? Nonsense. In fact, it was the perfect time to start writing. In this short little book, I'll do my best to show you that ... - Retirement is the perfect time to start writing. - Expendable time is the most valuable time there is. - Technology sucks, but it also doesn't matter. - Readers matter even more than you think. - Community is the secret sauce on everything. - Doing the thing is the most important thing. And so much more. Or maybe just those things. But also stories! And tangents. So many tangents. And references only you will get. There's even something in here for \*gasp\* people that aren't 72 yet. Or 52. Or even 32. It's time to stop thinking about who you were before and consider who you can be right now. It's time to become a storyteller.

Trance Formation of America Cathy O'Brien 1995 This is the documented autobiography of a victim of government mind control. Cathy O'Brien is the only vocal and recovered survivor of the Central Intelligence Agency's MK-Ultra Project Monarch mind control operation. Chiseled deep into the white stone of the CIA's Langley, Virginia headquarters is a partial verse lifted from the Holy Bible and writings of Saint John...""and the truth shall set you free." This statement, like the agency, is total reality. The building that it is engraved upon houses the world's most successful manufacturer of lies to facilitate psychological warfare. The "Company" uses truth and technology as their raw materials to produce "pure" lies for control of you and America's allies.

Fire In The Hole Ninie Hammon 2021-10-25 Family loyalties and deadly feuds are brought to life in Ninie Hammon's new intergenerational romp through the history of The Cornbread Mafia in rural Kentucky. Nobody remembers anymore who started the generations-old feud between the two families of moonshiners and bootleggers. But in

1933 a carload of McCluskys ambushed a carload of Hannackers and six people died. The families would have turned the Kentucky hills scarlet with Hannacker and McClusky blood if four women hadn't ended the war before it began. Their "Crow's Pledge" stopped the killing, but the hatred lived on. When the county's National Guard unit is called up thirty-five years later, the Hannackers and McCluskys take their feud to Vietnam with them. It's possible that some of the soldiers who came home in black body bags weren't killed by the Viet Cong. After discovering marijuana during the war, both families are determined to grow it in the States, setting them at odds again. But there's no Crow's Pledge to stop the bloodshed this time. *Fire In The Hole* is the first book in Ninie Hammon's new *Cornbread Mafia* series, a fictionalized retelling of the real *Cornbread Mafia* that sprung up in picturesque Marion County, Kentucky, and grew into the largest illegal marijuana-growing operation in U.S. history.

Twelve years later Robin's murder is still unsolved and his family remains devastated. Filled with hairpin turns of plot and "a bustling, ridiculous humanity worthy of Dickens" (*The New York Times Book Review*), *The Little Friend* is a work of myriad enchantments by a writer of prodigious talent.

In the post-Saddam years he has held important government positions and participated in crucial national decisions and events. In this book, the former Minister of Defense and Finance draws on his unique personal experience, extensive relationships with members of the main political groups and parties in Iraq, and deep understanding of the history and society of his country to answer the baffling questions that persist about its current crises. What really led the United States to invade Iraq, and why have events failed to unfold as planned? *The Occupation of Iraq* examines what the United States did and didn't know at the time of the invasion, the reasons for the confused and contradictory policies that were enacted, and the emergence of the Iraqi political class during the difficult transition process. The book tracks the growth of the insurgency and illuminates the complex relationships among Sunnis, Shias, and Kurds. Bringing the discussion forward to the reconfiguration of political forces in 2006, Allawi provides in these pages the clearest view to date of the modern history of Iraq and the invasion that changed its course in unpredicted ways.
