50 Nifty Quilled Cards Ali Bartkowski 2008 If you can cut and roll a strip of paper, you can quill! Paper quilling is enjoying a bold resurgence, with artists reinterpreting and revitalizing the technique with exciting new ideas. These 50 diverse designs feature breathtaking quilled cards for holidays, special occasions, and just for fun. So simple, fundamental forms, all shown in close-up photos that novices can easily follow: a tight roll, teardrop, square, scroll, and more. These form the basics for creating as an adorable baby carriage-shaped tag, embellished with buttons; rolled Christmas holly berries on a tiny wreath; and a Father's Day card with bright, graphic patterns forming a background for a miniature white shirt and tie. A beauty shot showcases the completed card, and line drawings clarify all the quilled components.

Wives and Daughters Elizabeth Cleghorn Gaskell 1866
The Welfare of Farmed Rattites Paul Glatz 2011-05-30 This volume reviews, for the first time, the broad range of issues that affect the welfare of commercially farmed rattites. Although rattites incorporate several families of flightless birds this book focuses on the most commonly farmed rattites, the ostrich, emu and rhea. The readers journey through all sectors of the industry, which include breeding, incubation, hatching, brooding, rearing, growth, transport and processing, with an emphasis on husbandry and management protocols that can impact bird welfare and health. Also discussed is the structure and sensory innervation of the skin and digits of the potential welfare implications of industry practices on these structures. Each chapter in this volume focuses on a particular aspect of the commercial farming with contributing authors from a broad range of disciplines.

Twirled Paper Jacqueline Lee 2004 Transform simple strips of colored paper into a world of decorative doodads. This activity book comes with everything you need to twirling. Thirty projects are given the step-by-detailed-step treatment, showing how simple it is to curl, coil, and twirl up intricate-looking designs.

Complete Pleats Paul Jackson 2015-09-14 Paul Jackson's major new title Complete Pleats is the most comprehensive book about pleating on the market. It explains how pleating systems can be stretched, compressed, flared, skewed, multiplied, and mirrored, showing how from simple ideas, a huge number of original pleat forms can be created. Each technique is explained with a series of step-by-step photographs and line illustrations, enabling the designer to work through the basic principles and then adapt them to their specific needs. Complete Pleats also features more than 60 examples of pleats from the worlds of architecture, fashion, and product design. Paul Jackson has taught pleating techniques to students of Fashion Design for 30 years, in both paper and fabric. Complete Pleats is the definitive practical guide for anyone wishing to create and make pleats. The book includes a DVD featuring 23 videos of pleating techniques.

Once you have learned the techniques, you can create your own designs for any number of occasions...the possibilities are made with this fun and absorbing paper craft.

Undressing Mr. Darcy Karen Doornebos 2013-12-03 Taking it off in the name of history... Thirty-five-year-old American social media master Vanessa Roberts lives a thoroughly modern life with aplomb. So when her elderly Jane Austen-centric aunt needs her to take on the public relations for Julian Chancellor, a very private Englishman who's written a book called My Year as Mr. Darcy, Vanessa agrees. But she's not "excessively diverted," as Jane Austen would say. Hardbound books, teapots, quill pens fly in the face of her e-reader, coffee, and smartphone... Until she sees Julian take his tight breeches off for his Undressing Mr. Darcy show, an educational "striptease" down to his drawers to promote his book and help save his crumbling estate. The public relations expert suddenly realizes things have gotten...perspective. Can this old-fashioned man claim her heart without so much as a GPS? It will take three festivals filled with Austen fans, a trip to England, an old frenemy, and a flirtation re-enactor to find out...

Quilled Flowers Ali Bartkowski 2012 "Roll, mold, and shape colorful strips of paper into a bevy of petals, blooms, and bouquets for all occasions"--P. [4] of cover.

Red Ted Art Margarita Woodley 2013-03-28 Crafting has never been more popular and Maggy Woodley, the creative force behind Red Ted, is passionate about it. With her children, Max, four, and Pippa, two. Using recycled materials and bits and bobs collected when out and about, here are over 60 utterly irresistible things to make with your kids. From adorable peanut shell finger puppets to walnut babies, loo roll marionettes and egg carton fairy lights, fabric mache bowls, stick men and shell of people, and many more, these are projects for all the family to have fun with. And what's more, the end results are so cute and desirable that they look great as gifts or make wonderfully unique and personal gifts. With a funky, modern design and vibrant full colour photography throughout, this is a must-have addition to every family's bookshelf.

A History of Celibacy Elizabeth Abbott 2000 This surprise bestseller from Canada traces the groups and individuals who are part of a timeless phenomenon that transcends culture and religion. Joan of Arc was one. So was Sir Isaac Newton. A monk vows to be one. A prisoner has no choice. History tells of many avowed celibates, and our society reflects a renewed interest in celibacy. But what caused -- and still causes -- people to give up sex, the very activity that drives, fascinates, troubles, and defines us? Elizabeth Abbott's spirited and provocative exploration of celibacy debunks the traditionally held notion that celibacy is a predominantly religious concept and a concern to the secular world. With myriad examples, Abbott's lively history reveals insights not only about our religious practices but also about our sexual desires and changing attitudes toward gender and physical health. From the vestal virgins of ancient Rome, who were entombed alive if they broke their vows, to contemporary monks who "conserve semen" to enhance their game, from celibacy as a guarantee for marriage to involuntary celibacy among prisoners, eunuchs, and young women c

against their will, Abbott puts a human face on celibacy, capturing the anguish of the castrated boy destined for an operatic career, the ecstasy of the woman rewarded by visions of Christ, and the anger of the bachelor doomed by the surplus of males in contemporary China. What didn't happen in the bedrooms of his Through stories of individual lives -- fascinating, vital, and real -- A History of Celibacy tells all.

Quilling Jane Jenkins 2016-01-15 "Jane Jenkins explains quilling techniques from closed loose coils to fringed flowers, with step-by-step photographs for clarity designed a beautiful project to go with each technique so that new quillers can build their skills while producing quilled works of art.
