The Wedding Veil Kristy Woodson Harvey 2022-03-29 A NATIONAL BESTSELLER The New York Times bestselling author of Under the Southern Sky and the Peachtree Bluff series brings “her signature wit, charm, and heart” (Woman’s World) to this sweeping new novel following four women across generations, bound by a beautiful wedding veil and a connection to the famous Vanderbilt family. Four women. One family heirloom. A secret connection that will change their lives—and history as they know it. Present Day: Julia Baxter’s wedding veil, bequeathed to her great-grandmother by a mysterious woman on a train in the 1930s, has passed through generations of her family as a symbol of a happy marriage. But on the morning of her wedding day, something tells her that even the veil’s good luck isn’t enough to make her marriage last forever. Overwhelmed and panicked, she escapes to the Virgin Islands to clear her head. Meanwhile, her grandmother Babs is also feeling shaken. Still grieving the death of her beloved husband, she decides to move out of the house they once shared and into a retirement community. Though she hopes it’s a new beginning, she does not expect to run into an old flame, dredging up the same complicated emotions she felt a lifetime ago. 1914: Socialite Edith Vanderbilt is struggling to manage the luxurious Biltmore Estate after the untimely death of her cherished husband. With 250 rooms to oversee and an entire village dependent on her family to stay afloat, Edith is determined to uphold the Vanderbilt legacy—and prepare her free-spirited daughter Cornelia to inherit it—in spite of her family’s deteriorating financial situation. But Cornelia has dreams of her own. Asheville, North Carolina has always been her safe haven away from the prying eyes of the press, but as she explores more of the rapidly changing world around her, she’s torn between upholding tradition and pursuing the exciting future that lies beyond Biltmore’s gilded gates. In the vein of Therese Anne Fowler’s A Well-Behaved Woman and Jennifer Robson’s The Gown, The Wedding Veil brings to vivid life a group of remarkable women forging their own paths—and explores the mystery of a national heirloom lost to time.

*The Mushroom at the End of the World Anna Lowenhaupt Tsing 2017-09-19 Matsutake is the most valuable mushroom in the world—and a weed that grows in human-disturbed forests across the northern hemisphere. Through its ability to nurture trees, matsutake helps forests to grow in daunting places. It is also an edible delicacy in Japan, where it sometimes commands astronomical prices. In all its contradictions, matsutake offers insights into areas far beyond just mushrooms and addresses a crucial question: what manages to live in the ruins we have made? A tale of diversity within our damaged landscapes, *The Mushroom at the End of the World* follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction. By investigating one of the world's most sought-after fungi, *The Mushroom at the End of the World* presents an original examination into the relation between capitalist destruction and collaborative survival within multispecies landscapes, the prerequisite for continuing life on earth.*

Nevada Imogen Binnie 2022-06-07 One of *Vogue's* Best Books of 2022 So Far, *Buzzfeed's* Summer Books You Won't Be Able To Put Down, *Book Riot's* Best Summer Reads for 2022, and *Dazed's* Queer Books to Read in 2022 "[Nevada] is defiant, terse, not quite cynical, sometimes flip, addressed to people who think they know. It is, if you like, punk rock." —*The New Yorker* "Nevada is a book that changed my life: it shaped both my worldview and personhood, making me the writer I am. And it did so by the oldest of methods, by telling a wise, hilarious, and gripping story." —Torrey Peters, author of *Detransition, Baby* A beloved and blistering cult classic and finalist for the Lambda Literary Award for Transgender Fiction finally back in print, *Nevada* follows a disaffected trans woman as she embarks on a cross-country road trip. Maria Griffiths is almost thirty and works at a used bookstore in New York City while trying to stay true to her punk values. She's in love with her bike but not with her girlfriend, Steph. She takes random pills and drinks more than is good for her, but doesn't inject anything except, when she remembers, estrogen, because she's trans. Everything is mostly fine until Maria and Steph break up, sending Maria into a tailspin, and then onto a cross-country trek in the car she steals from Steph. She ends up in the backwater town of Star City, Nevada, where she meets James, who is probably but not certainly trans, and who reminds Maria of her younger self. As Maria finds herself in the awkward position of trans role model, she realizes that she could become James's savior—or his downfall. One of the most beloved cult novels of our time and a landmark of trans literature, Imogen Binnie's *Nevada* is a blistering, heartfelt, and evergreen coming-of-age story, and a punk-smear excavation of marginalized life under capitalism. Guided by an instantly memorable,

terminally self-aware protagonist—and back in print featuring a new afterword by the author—Nevada is the great American road novel flipped on its head for a new generation.

The Four Winds Kristin Hannah 2021-02-02 "The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of The Nightingale and The Great Alone comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. - *The dramatic story of the Flint water crisis, by a relentless physician who stood up to power. "Stirring . . . [a] blueprint for all those who believe . . . that 'the world . . . should be full of people raising their voices.'"—The New York Times "Revealing, with the gripping intrigue of a Grisham thriller."—O: The Oprah Magazine Here is the inspiring story of how Dr. Mona Hanna-Attisha, alongside a team of researchers, parents, friends, and community leaders, discovered that the children of Flint, Michigan, were being exposed to lead in their tap water—and then battled her own government and a brutal backlash to expose that truth to the world. Paced like a scientific thriller, *What the Eyes Don't See* reveals how misguided austerity policies, broken democracy, and callous bureaucratic indifference placed an entire city at risk. And at the center of the story is Dr. Mona herself—an immigrant, doctor, scientist, and mother whose family's activist roots inspired her pursuit of justice. *What the Eyes Don't See* is a riveting account of a shameful disaster that became a tale of hope, the story of a city on the ropes that came together to fight for justice, self-determination, and the right to build a better world for their—and all of our—children. Praise for *What the Eyes Don't See* "It is one thing to point out a problem. It is another thing altogether to step up and work to fix it. Mona Hanna-Attisha is a true American hero."—Erin Brockovich "A clarion call to live a life of purpose."—The Washington Post "Gripping . . . entertaining . . . Her book has power precisely because she takes the events she recounts so personally. . . . Moral outrage present on every page."—The New York Times Book Review "Personal and emotional. . . She vividly describes the effects of lead poisoning on her young patients. . . She is at her best when recounting the detective work she undertook after a tip-off about lead levels*

from a friend. . . 'Flint will not be defined by this crisis,' vows Ms. Hanna-Attisha.”—*The Economist*
