Loser Jerry Spinelli 2009-10-13 From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

Third Grade Angels Jerry Spinelli 2012-09-01 The long-awaited prequel to the bestseller *FOURTH GRADE RATS* George, aka "Suds," has just entered third grade, and he's heard the rhyme about "first grade babies/second grade cats/third grade angels/fourth grade rats," but what does this mean for his school year? It means that his teacher, Mrs. Simms, will hold a competition every month to see which student deserves to be awarded "the halo" — which student is best-behaved, kindest to others, and, in short, perfect. Suds is determined to be the first to earn the halo, but he's finding the challenge of always being good to be more stressful than he had anticipated. Does he have to be good even outside of school? (Does he have to be nice to his annoying little sister?) And if Mrs. Simms doesn't actually see him doing a good deed, does it even count? A warm, funny return to elementary school from master storyteller Spinelli.

Jay, on the other hand, is counting the minutes until nightfall, when the girl he can't stop thinking about promised she'll be there. And Kit has a couple secrets of her own—including a guest she invited without consulting anyone. By midnight the party will be completely out of control.
