The Gospel According to Mark 1999-01-01 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Introduction to the Old Testament R. K. Harrison 2016-01-01 "An Indispensable Resource for Old Testament Studies" The present work is an attempt to evaluate the contents of the Old Testament and the Apocrypha against the vast background of knowledge that is now available for students of ancient Near Eastern life and culture. (From the Preface) With characteristic understatement, R. K. Harrison embarked on this massive attempt and produced a volume that for scrupulous detail, scholarly rigor, and sheer erudition has remained unmatched for nearly fifty years. Writing from his own apparently limitless scholarship combined with a conservative perspective, Harrison first reviews the entire history of Old Testament criticism and sets the Hebrew scriptures in their full historical and theological context. He then presents a detailed discussion of each Old Testament book, along with a lucid overview of the apocryphal books. Harrison's engagement of the perennial issues and problems of Old Testament scholarship make this classic text a vital foundation for a new generation of scholars. For contemporary Old Testament studies, this highly respected volume continues to be the essential point of departure."

Anonymous Jenny Youngman 2014-11-04 At one time or another, every woman has felt overlooked, unimportant, and bruised by the world. But there's good news. While the opinion of others may drag us down, the God who created us has an entirely different opinion of who we are. That's because we are His creations, and everything He created is good! Women today are searching for ways to make a difference in their daily lives. Whether they are working women, stay-at-home moms, or women moving into their retirement years, they all want to be a somebody who makes a positive impact in the world around them. The Bible is filled with "anonymous" women who made a significant impact in God's story. Anonymous helps women discover their uniqueness and significance to Christ by exploring some of the "anonymous" women of the Bible. Though we do not know their names, they all were known and loved by God. Each week of this six-session study begins with an overview of the anonymous woman's story, including background material with relevance to the cultural lifestyles and surroundings of the day. The daily lessons explore her story and the ways that all women can relate to her. Contemporary "anonymous" stories and quotes from everyday women are sprinkled throughout, reinforcing the very personal relevance of this powerful study. Together women will explore and grow in their relationship with Christ as they find their significance in the heart of God. The Leader Guide contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group.
