**Tiger Woods** Jeff Benedict 2019-04-02 The inspiration for the HBO documentary from Academy Award-winning producer Alex Gibney. The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods's life—this "comprehensive, propulsive...and unsparing" (The New Yorker) biography is "an ambitious 360-degree portrait of golf's most scrutinized figure...brimming with revealing details" (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this "searing biography of golf's most blazing talent" (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods's life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the "chosen one," to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. "Irresistible...Immensely readable...Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true" (The Wall Street Journal). Ultimately, Tiger Woods is "a big American story...exhilarating, depressing, tawdry, and moving in almost equal measure" (The New York Times).

Told in rich, lyrical prose and set against the background of a changing society, TIGER HILLS is a sweeping saga about one woman's determination to live life on her own terms --- and a riveting novel about the choices we make in the name of family, nation, and love. .

**Grief Observed** C. S. Lewis 2001-02-06 Written after his wife's tragic death as a way of surviving the "mad midnight moment," A Grief Observed is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: "Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under torture does he discover it himself." This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

**The Tiger Who Came to Tea** (Read aloud by Geraldine McEwan) Judith Kerr 1912-09-10 This is a read-along edition with audio synced to the text, performed by Geraldine McEwan. The classic picture book story of Sophie and her extraordinary teatime guest has been loved by millions of children since it was first published more than fifty years ago. Now an award-winning animation! **Midnight's Children** Salman Rushdie 2010-12-31 Winner of the Booker prize and twice winner of the Booker of Bookers, *Midnight's Children* is "one of the most important books to come out of the English-speaking world in this generation" (New York Review of Books). Reissued for the 40th anniversary of the original publication—with a new introduction from the author—Salman Rushdie's widely acclaimed novel is a masterpiece in literature. Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other "midnight's children," all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. **Factfulness** Hans Rosling 2018-04-03 INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." - Bill Gates "Hans Rosling tells the story of the 'secret silent miracle of human progress' as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

**Battle Hymn of the Tiger Mother** Amy Chua 2011-12-06 A lot of people wonder how Chinese parents raise such stereotypically successful kids. They wonder what Chinese parents do to produce so many math whizzes and music prodigies, what it's like inside the family, and whether they could do it too. Well, I can tell them, because I've done it... Amy Chua's daughters, Sophia and Louisa (Lulu) were polite, interesting and helpful, they had perfect school marks and exceptional musical abilities. The Chinese-parenting model certainly seemed to produce results. But what happens when you do not tolerate disobedience and are confronted by a screaming child who would sooner freeze outside in the cold than be forced to play the piano? *Battle Hymn of the Tiger Mother* is a story about a mother, two daughters, and two dogs. It was supposed to be a story of how Chinese parents are better at raising kids than Western ones. But instead, it's about a bitter clash of cultures, a fleeting taste of glory, and how you can be humbled by a thirteen-year-old. Witty, entertaining and provocative, this is a unique and important book that will transform your perspective of parenting forever. **The Bloody Chamber** 2021 "All is yours, everywhere is open to you - except the lock that the single key fits. You must promise, if you love me, to leave it well alone."When a 17 year old virgin marries a mature and charismatic Marquis it seems like a fairy tale. But when the Marquis is called away on their wedding night, leaving her only her only his keys and a single instruction, her curiosity leads her to uncover a dark secret. Bryony Lavery's new stage adaptation of Angela Carter's story opened as a Northern Stage production in September 2008.

**White Tears** Hari Kunzru 2017-03-14 *White Tears* is a ghost story, a terrifying murder mystery, a timely meditation on race, and a love letter to all the forgotten geniuses of American music and Delta Mississippi Blues. Spanning decades, this novel brings alive the history of old-time blues and America's racial conscience."—Rabea Saleem, Chicago Review of Books *Two twenty-something New Yorkers. Seth is awkward and shy. Carter is the glamorous heir to one of America's great fortunes. They have one thing in common: an obsession with music. Seth is desperate to reach for the future. Carter is slipping back into the past. When Seth accidentally records an unknown singer in a park, Carter sends it out over the Internet, claiming it's a long lost 1920s blues recording by a musician called Charlie Shaw. When an old collector contacts them to say that their fake record and their fake bluesman are actually real, the two young white men, accompanied by Carter's troubled sister Leonie, spiral down into the heart of the nation's darkness, encountering a suppressed history of greed, envy, revenge, and exploitation.*

**The Brothers Karamazov** Fyodor Dostoevsky 2020-10-06 Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers Karamazov* remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Brothers Karamazov* is both modern and readable.

**Jennie's Tiger: A Woman's Pioneering Stand in an Untamed Corner of Washington State** Eva Gayle Six 2011-11-15 The West's pioneering experience has been both documented and dramatized enough to give us all some impression - for right or for wrong - of what pioneers were and what they did. Some of those impressions are dryly accurate, and some are excitingly fictitious. Jennie's Tiger is neither - carefully researched and truthfully told, it gives a reliable view of the homesteading experience as well as an engrossing and moving story of strong characters making for themselves the life they want. The real Wes and Jennie Wooding homesteaded 160 acres on the Pend Oreille river in northeast Washington state from 1900 till 1923. Life before this chapter of their lives had been consistently hardscrabble and sometimes tragic. Building their own home on their own land was the greatest success and the greatest contentment they had ever had. They arrived at Tiger's Landing by steamboat with three small boys and cut down enough trees to build a 14' X 24' one-story house to shelter them. In that house, named Hawthorn Lodge, they soon added a fourth boy. Like most settlers with no cash, Wes had to work "outside" to earn the money for Proving Up the homestead. He walked several hundred miles looking for the work he knew, in the mines. A devoted member of the Western Federation of Miners and a sincere Socialist, Wes was ambivalent about the Wobly movement and glad when, after the required seven years, he could stay at home and make his life at Tiger's Landing with Jennie and the boys. While Wes was away, Jennie was entirely capable of sheltering, feeding, clothing and raising the boys with her own skills. With help from the children, she chinked the cabin with river mud; she kept the table laid with game and fish she provided and produce she grew; she made furniture for the bare house; she skillfully sewed clothes for the family. She gradually turned the subsistence farm into a lucrative business. Fearful of missing Wes's letters, she started the first post office in her community. As the boys reached school age, she donated land and saw that the first school began to operate. Bringing with her skills and medicines, she became doctor, nurse and midwife to the growing community. Frustrated by goods that came from a riverboat that could run only half the year, she started the first store. Through all this, Jennie was eternally buoyant; she never felt misused or deprived, only content, proud and happy. But when the outside world threatened Hawthorn Lodge in the form of a railroad right against the house, Jennie found she had to swallow her anger and make the best of it. When World War I took two of her boys away, she did what she could to help the soldiers while hating the war. Having successfully raised the four boys to strong men, Jennie's years at Hawthorn Lodge, Tiger, Washington, come to a tragic end, and we last see her heading back to California and the outside world.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • "Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal."—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing additions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

*The White Tiger* Aravind Adiga 2008-04-22 SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation--and a startling, provocative debut.

*Tigers in Red Weather* Liza Klausmann 2012-07-17 Summer seemed to arrive at that moment, with its mysterious mixture of salt, cold flesh and fuel. Nick and her cousin, Helena, have grown up sharing sultry summer heat, sunbleached boat docks, and midnight gin parties on Martha's Vineyard in a glorious old family estate known as Tiger House. In the days following the end of the Second World War, the world seems to offer itself up, and the two women are on the cusp of their 'real lives': Helena is off to Hollywood and a new marriage, while Nick is heading for a reunion with her own young husband, Hughes, about to return from the war. Soon the gilt begins to crack. Helena's husband is not the man he seemed to be, and Hughes has returned from the war distant, his inner light curtailed over. On the brink of the 1960s, back at Tiger House, Nick and Helena--with their children, Daisy and Ed--try to recapture that sense of possibility. But when Daisy and Ed discover the victim of a brutal murder, the intrusion of violence causes everything to unravel. The members of the family spin out of their prescribed orbits, secrets come to light, and nothing about their lives will ever be the same. Brilliantly told from five points of view, with a magical elegance and suspenseful dark longing, *Tigers in Red Weather* is an unforgettable debut novel from a writer of extraordinary insight and accomplishment.
