

STATE OF GRENADA YACHT ENTRY PROTOCOL

LATEST UPDATE: 04 DECEMBER 2020

This protocol can be changed at any time due to the uncertainty of the COVID-19 virus pandemic

1. WHERE IS YOUR TRAVEL ORIGINATING FROM?

A travelers' risk category is determined by the highest risk level associated with any country that they have originated from, travelled to, or transited through within 3 days prior to arriving to Grenada.

CAPTAINS present your clearance documentation and logs on arrival for confirmation of your sailing days.

A negative RT-PCR result is required from tests taken within 72 hours or 3 days of embarking on the journey to Grenada from last port visited.

All persons arriving are quarantined for up to 7 days.

PCR test is done on 4th day after arrival in Grenada . A negative test result and Ministry of Health Clearance will be required to exit quarantine after receiving a negative test result.

Please visit the Grenada Ministry of Health Covid-19 website <https://covid19.gov.gd/travel/> for updated information.

2. REGISTER ON SAILCLEAR

All yachts wanting to enter into Grenada MUST register on Sailclear. <https://sailclear.com/>

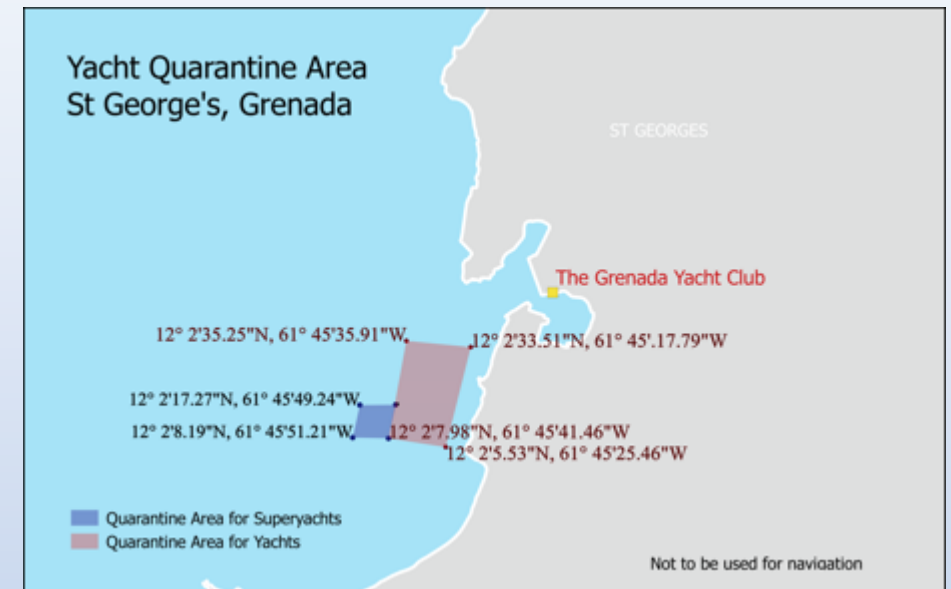

SailClear is the region wide advance notification system for yachts, developed and run by CCLEC (Caribbean Customs Law Enforcement Council). This is a free service. Register online and submit notification which is visible by Customs immediately.

Complete **ALL** necessary documentation within SailClear. This is automatically sent through to Grenada Customs and Immigration. You will not be allowed entry into Grenada if you do not register on SailClear.
